Call for projects - MISTERO
MIRAGE + STEREOLUX + TETRO

Call for projects MISTERO

Artistic and innovative projects

TETRO, Stereolux and Mirage Festival share a common will to promote digital and electronic cultures by showing innovative artistic projects that mix video, sound, design, light, mapping...

They want to offer the opportunity to a new generation of artists to express their creativity. Therefore they decided to work together to create and present a new installation project that fits in with this artistic approach.

This collaboration is leading to the launch of the call for projects MISTERO. It will offer the opportunity for an artist to create an artistic installation that will be shown in 2017 at several European events and festivals.

This call for projects is open to any artist or collective that works in the fields of digital arts, light, video, design, music...

MISTERO is made to produce a new artistic installation that can as well have a performative dimension.

/// Conditions

An amount of 10000€ excluding taxes will be offered to the selected project to create a new artistic installation that will be presented by the three organisations in 2017.

This amount will be dedicated to:

- The conception and production of the project
- The presentation of the project by the three organisations according to this schedule:
 - Mirage Festival (8-12 march 2017) in Lyon
 - Scopitone Festival (20-24 septembre 2017) in Nantes presented by Stereolux
 - A third presentation will be organized by TETRO. The date is not defined yet and will be confirmed later.

The budget will be directly run by the three organisations in collaboration with the artist therefore all the choices and expenses will be validate together.

The three structures will offer a technical assistance if needed in order to help the artist develop the installation.

After the 3 first presentations, TETRO will be the exclusive agency in charge of the booking of the project until 2019. TETRO will work in collaboration with Mirage Festival and Stereolux to promote and book the installation in France and abroad.

/// Selection of the project

A committee composed by people from the 3 organisations will select the project according to this criterions

- Quality of the artistic proposal and its innovative aspect
- Link with the artistic directions of the 3 organisations and the interdisciplinary projects they want to promote
- The project can't be just virtual and it must have a physical dimension
- The project must be adjustable and easy to ship in order to be presented in different types of venue
- Technical feasibility of the project according to the amount allocated
- Ability of the candidates to develop and produce the installation by themselves

/// Application File

The candidates can apply in French or English and must provide:

- An illustrated note of intent that describes the project (4 pages max + visuals)
- A Technical File (description, plans, technical needs, production schedule)
- Promotion kit (Project name, HD visuals, short description...)
- Curriculum Vitae of the artist(s)
- Candidate information form
- Detailed budget

The application file must be sent before **December, 31st** by email to this address:

melodie@miragefestival.com

For heavy application files, please send a permanent download link to send the documents
